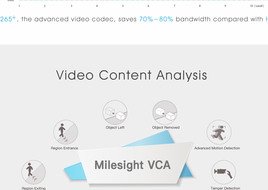
Milesight

MILESIGHT H.265+ MOTORIZED MINI BULLET NETWORK CAMERA

Leading-edge H.265+ Compression

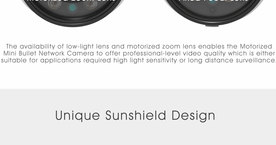


H.265+, the advanced video codec, saves 70%~80% bandwidth compared with H.264

Video Content Analysis

Milesight VCA with 10 detection modes provides advanced, accurate smart video analysis for Milesight network cameras, enabling the comprehensive surveillance function and quicker response to different monitoring scenes.

0.002Lux Ultra Low-light



The starlight camera is able to deliver high detailed color images even in the low light environments reaching 0.002Lux (Color) or 0Lux (B/W), and near infrared light environments without any supplementary lighting.

140dB Super WDR

Milesight's sensor-based WDR technology allows the camera to record greater scene details with true color reproduction even under the extreme back light and high contrast conditions. The ratio that the brightest light signal values divided by the darkest light signal values is up to 140dB.

Professional-level Video Quality

The availability of low-light lens and motorized zoom lens enables the Motorized Mini Bullet Network Camera to offer professional-level video quality which is either suitable for applications required high light sensitivity or long distance surveillance.

Unique Sunshield Design

This stylishly designed Motorized Mini Bullet Network Camera has a unique outdoor housing sunshield that almost encircles the camera body, which effectively blocks the sun from entering the lens path and offers great thermal insulation.

Waterproofing Design

For easy management and waterproofing, the camera is also equipped with a mounting bracket that conceals the cable within, offering a well-rounded protection of the cable from any water, dust, or shock damages.

Built-in PoE Module

Milesight Motorized Mini bullet Network Camera incorporates IEEE 802.3af Power over Ethernet technology, which eases installation by providing power and networking connectivity with a single cable, eliminating the need for additional power cables and reduces installation costs.

Easily Adjustable 3-Axis Bracket

The Motorized Mini Bullet Network Camera is easy to install on a wall or ceiling. It features 3-axis bracket which provides a robust mounting platform for tidy installation and camera angle adjustments on a 3-axis plane.

SIP/VoIP Support

Milesight Motorized Mini Bullet Network Camera features industry leading SIP/VoIP function and video streaming for mobile phones and video phones.
